

## Technical Specifications

### General

|                       |                    |
|-----------------------|--------------------|
| Model Number          | : POWL 91          |
| System Watt           | : 2x3w             |
| Driver Integral       | : Constant Current |
| Operating Voltage     | : 120-265Vac       |
| Operating Temperature | : +10°C ~ +50°C    |

### Physical

|          |                                                   |
|----------|---------------------------------------------------|
| Body     | : Die-Cast Aluminium with Extruded Aluminium Tube |
| Diffuser | : Clear Polycarbonate                             |
| Gasket   | : Silicone                                        |
| Mounting | : Surface / wall mounted                          |
| Finish   | : Powder coated<br>RAL 9007 Grey                  |

## Light Source

|                        |                                  |
|------------------------|----------------------------------|
| Light Source           | : Cree / Bridgelux LED / Epistar |
| CRI (Ra)               | : ≥80                            |
| LED Colour Temperature | : 3000K                          |

## Driver

|                      |                   |
|----------------------|-------------------|
| Power Supply         | : Integral        |
| Input Voltage        | : 220-240VAC      |
| Frequency            | : 50Hz            |
| Power Factor         | : ≥0.9            |
| THD                  | : ≥13%            |
| Surge Protection     | : 2 KV            |
| Efficiency           | : >85%            |
| Driver Specification | : DC30-40V 300mA  |
| Luminous Flux (LM)   | : 300lm(± 10% lm) |

## Optical Performance

|                    |               |
|--------------------|---------------|
| Light Distribution | : Symmetrical |
|--------------------|---------------|

This modern outdoor wall light adds a stylish and elegant touch to exterior spaces. Its warm up-and-down illumination creates a beautiful, welcoming ambience at night. Ideal for enhancing walls, entrances, patios, gardens, and other outdoor areas. \ The sleek design combines decorative appeal \ with practical outdoor lighting.

## Product Description

- Modern spherical wall light design
- Up & down directional illumination
- Creates attractive geometric light patterns
- Ideal for exterior walls and façades
- Suitable for residential and commercial projects
- Enhances architectural and landscape features
- Easy to install on walls
- CRI (Ra): ≥80 CCT: 3000K warm white.

## Product Benefits

- Decorative Lighting: Creates beautiful geometric beam patterns on walls.
- Architectural Enhancement: Highlights textures, façades, and exterior features.
- Dual-Directional Illumination: Provides effective light both upward and downward.
- Modern Aesthetics: Spherical design complements contemporary architecture.
- Ambient Atmosphere: Creates a warm and inviting outdoor environment
- Versatile Applications: Suitable for entrances, corridors, balconies, façades, patios, and gardens.

## Area of Application

Residential & Villa Exteriors / Hotel & Commercial Building Facades / Entrances, Pathways & Outdoor Areas

## Available Finish

Pure polyester powder coated  
RAL 9007 Grey
