

## Technical Specifications

### General

|                       |                    |
|-----------------------|--------------------|
| Model Number          | : POWL 94          |
| System Watt           | : 4X1w             |
| Driver Integral       | : Constant Current |
| Operating Voltage     | : 130-265Vac       |
| Operating Temperature | : +10°C ~ +50°C    |

### Physical

|          |                                  |
|----------|----------------------------------|
| Body     | : Die-Cast Aluminium with        |
| Diffuser | : Clear Polycarbonate Lens       |
| Gasket   | : Silicone                       |
| Mounting | : Surface / wall mounted         |
| Finish   | : Powder coated<br>RAL 9007 Grey |

4X1w

### Light Source

|                        |                       |
|------------------------|-----------------------|
| Light Source           | : Everbrite / Epistar |
| CRI (Ra)               | : ≥80                 |
| LED Colour Temperature | : 3000K               |

### Driver

|                      |                   |
|----------------------|-------------------|
| Power Supply         | : Integral        |
| Input Voltage        | : 130-265VAC      |
| Frequency            | : 50Hz            |
| Power Factor         | : ≥0.6            |
| Surge Protection     | : 2 KV            |
| Efficiency           | : >75%            |
| Driver Specification | : DC9-15V 250mA   |
| Luminous Flux (LM)   | : 400lm(± 10% lm) |

### Optical Performance

|                    |               |
|--------------------|---------------|
| Light Distribution | : Symmetrical |
|--------------------|---------------|

This modern wall light features a compact, stylish design that adds a premium touch to any exterior wall. It delivers warm, multi-directional illumination with attractive light beams on the top, bottom, left, and right sides. Perfect for enhancing gardens, pathways, entrances, balconies, patios, and contemporary building façades. A perfect combination of elegant design, functional lighting, and beautiful architectural ambience.

## Product Description

- Modern outdoor wall light designed to create a striking multi-directional lighting effect.
- Emits warm light through the top, bottom, left, and right sides for enhanced wall illumination.
- Compact and elegant design blends seamlessly with modern exterior architecture.
- Ideal for gardens, balconies, entrances, pathways, patios, villas, and building façades.
- Perfect combination of decorative style and functional outdoor lighting.
- Ideal for façades, entrances and feature walls
- Easy to install on walls
- CRI (Ra): ≥80 CCT: 3000K warm white.

## Product Benefits

- Wide Light Distribution – Creates a beautiful multi-directional lighting effect on the wall.
- Modern & Compact Design – Stylish rounded body complements contemporary architecture.
- Warm & Elegant Ambience – Enhances outdoor spaces with a soft, inviting glow.
- Durable Construction – Designed for reliable performance in suitable outdoor installations.
- Architectural Highlighting – Adds a premium decorative touch to walls, façades, entrances, and pathways.

## Area of Application

Residential & Villa Exteriors / Hotel & Commercial Building Facades / Entrances, Pathways & Outdoor Areas

## Available Finish

Powder coated  
RAL 9007 Grey
