

Technical Specifications

General

Model Number	: POWL 04
System Watt	: 2x7w
Driver Integral	: Constant Current
Operating Voltage	: 120-265Vac
Operating Temperature	: +10°C~+50°C

Physical

Body	: Die-Cast Aluminium with Extruded Aluminium Tube
Diffuser	: Clear Polycarbonate
Gasket	: Silicone
Mounting	: Surface / floor mounted
Finish	: Powder coated RAL 9007 Grey

2x7w

Light Source

Light Source	: Cree / Bridgelux LED / Epistar / Everbrite
CRI (Ra)	: ≥80
LED Colour Temperature	: 3000K

Driver

Power Supply	: Integral
Input Voltage	: 130-265VAC
Frequency	: 50Hz
Power Factor	: ≥0.5 / ≥0.9
THD	: ≥ ±150%
Surge Protection	: 2 KV
Efficiency	: >85%
Driver Specification	: DC 242-65V 300mA
Luminous Flux (LM)	: 2x700lm(± 10% lm)

Optical Performance

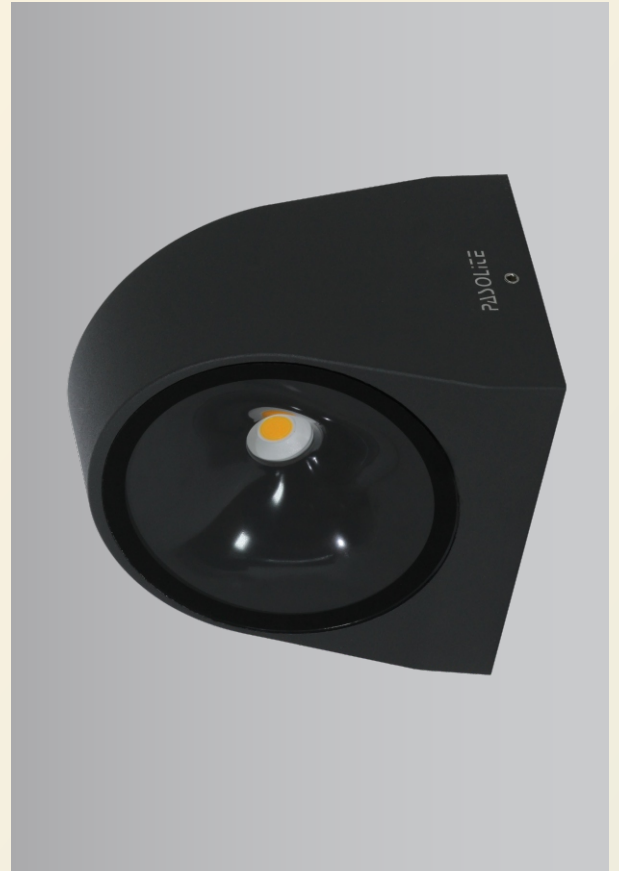

Light Distribution	: Symmetrical
--------------------	---------------

This modern architectural LED wall light features a distinctive curved, compact housing with a deep black reflector and centrally positioned LED light source. The deep reflector is designed to control the light output and create a focused, comfortable illumination effect. Its sleek dark finish and sculptural form make it suitable for contemporary façade, entrance, hospitality and landscape architectural lighting applications.

Product Description

- Product Type: LED Wall Light / Architectural Wall Washer
- Design: Compact, rounded rectangular body
- Finish: Dark/black architectural finish
- Light Source: Integrated LED optics
- Mounting: Wall-mounted
- Light Direction: Suitable for creating focused decorative illumination on walls and façades
- Application: Indoor and outdoor wall lighting,
- CRI (Ra): ≥80 CCT: 3000K warm white.

Product Benefits

- Focused Illumination
The deep reflector helps direct light toward the intended surface while reducing unnecessary spill
- Architectural Enhancement
Ideal for emphasizing building façades, entrances, walls and architectural details.
- Modern Design
The distinctive curved body creates a premium visual element even when the fixture is switched off.
- Efficient LED Performance
Integrated LED technology provides efficient illumination with low maintenance requirements.

Area of Application

Residential & Commercial Buildings / Offices & Retail Spaces / Hotels Areas

Available Finish

Pure polyester powder coated

RAL 9007 Grey
