

Spot Lights

Planter series

This soft round corner, die-cast construction is excellent for applications that have a high visibility and where a uniform beam distribution is desired. It can be adjusted & turned to accent or highlight specific features, with built-in transformer in base.

LED: 6w
540 Lm
Ra : > 70
PF : 0.9
Temp : -15°C ~ 50°C
Colour : 3000K

- Aluminium Die Cast Construction
- Tempered Glass Diffuser
- Silicone Rubber Gasket
- 220-240V, 50Hz

LED: 12w
